

Product Name Nonwoven Wall Paper Texture with Adhesive
Product Code WT200BAS

Features

- * 200 gsm, Textured Surface, Satin Finish, Nonwoven Paper
- * Water Resistant, Mildew Resistant, and Scratching Resistant
- * Compatible with Eco-solvent, Latex, and UV ink sets
- * Easy to print, install, reposition and remove
- * Phthalate Free, Formaldehyde Free, and Heavy Metals free

Overview

This wall paper is a revolutionary wall graphic material with self adhesive backing. It is 200 gsm, high opacity, nonwoven paper with textured satin finish. It is water resistant, mildew resistant, and scratching resistant. It delivers vibrant, high-definition wall art with the smooth surface. It meets environmental requirements for low-VOC emitting products, and is fire resistant.

This paper is fully compatible with Eco-solvent, Latex, and UV ink sets, and provides brilliant imaging quality with an outstanding Dmax and wide color gamut, that reproduces accurate imaging with richer color and tremendous details.
