

Product Name Floor Decal with Removable Adhesive
Product Code FD250AS

Features

- * Fabric Reinforced, Anti-slip PVC
- * 250 gsm, 10.60 mil, Matte Finish
- * Texture
- * Compatible with Eco-solvent, Latex and UV-curable inks
- * Easy to Apply, Removable, and Repositionable

Overview

Floor Decal with Removable Adhesive is a fabric reinforced, anti-slip, printable PVC. It is designed to be applied as floor or wall graphics, on tiles, metal, painted surfaces as well as wooden and PVC floors. It is ideal for tradeshow, POP, way finding, etc. It is used for indoor floor and wall application, and short term outdoor use on smooth surfaces.

It is fully compatible with Eco-solvent, Latex and UV-curable ink sets.
